

Nati Avni-Singer
2/21/17

Dear Senator Catherine Osten, Senator Paul Formica, and Representative Toni Walker,

ACES Educational Center for the Arts is a special place because it is an escape from the hierarchical and sometimes impersonal environment at many high schools. There, my teachers took me seriously as an artist and as a person. At ECA, I grew artistically because the training opened me up to many abilities that I previously couldn't access from within me.

Sincerely,

Nati Avni-Singer
